Re: Surety Arrangement
NRC Source Material License SUA-917
Docket No. 40-3453

Gentlemen:

Enclosed please find three copies of the latest 10-K Report submitted to the U.S. Securities & Exchange Commission by Atlas Corporation. These reports are being transmitted according to our October 29, 1982 submittal regarding our Surety Agreement with the Utah Board of Oil, Gas & Mining.

We trust this additional information will assist you in your review and subsequent acceptance of this surety arrangement. Please contact me at your convenience if you have any questions.

Yours very truly,

Richard E. Blubaugh
Regulatory Affairs Manager
